# OUR GOAL IS TO HELP YOU ACHIEVE YOUR GOALS

Our dedicated team of Financial Aid Advisors is here to assist in establishing your maximum grant eligibility as part of a plan to responsibly finance your educational goals.

## WHAT IS FINANCIAL AID?

Federal Student Aid (FSA) consists of grant and loan programs provided through the US Department of Education that are designed to help students and their families cover the costs of higher education. FSA can be used to offset tuition costs for the Lionel Master Trainer certificate program as well as the associate, bachelor's and masters degree programs.

## AM I ELIGIBLE FOR FINANCIAL AID?

In order to use Federal Student Aid (FSA) funds to attend Lionel University you will need to meet the following criteria:

- Have a high school diploma, GED or state recognized equivalent
- Be a US Citizen (including US Territories) or eligible resident non-citizen Have a valid Social Security number
- Have registered with the Selective Service between ages 18 and 25 (if male) Maintain satisfactory academic progress
- Be enrolled in an eligible program (AS in Exercise Science, BS in Exercise Science, Masters Degree or Master Trainer certificate)

## HOW DO I APPLY FOR FINANCIAL AID?

To determine what funds you are eligible for, you will be asked to enter information about income and taxes paid from years past. You may allow the IRS to transfer the relevant year's financial information to the FAFSA electronically. If you are unable, please have the tax returns on hand for the correct year for your intended start date.

*I used to dread getting up and going to my boring office job, which I did for 19 years. Now I wake up and can't wait to get to the gym. It's not like a job, it's fun and I love it. Thank you to Lionel for helping me turn my professional career into something I love.*
